A documentary to be watched. And witnessed.

American Standoff chronicles the ongoing fight for land rights in the western United States and the conflicts that led to the Malheur standoff. This is the personal story of the Hammonds, an Oregon ranching family whose twenty-year fight with government agencies resulted in their controversial trial and conviction on an anti-terrorism charge. With never-before-seen footage and exclusive interviews, this documentary tells a story as tragic and incredible as the West itself.

Premieres Thursday, May 4 at 8pm ET/PT on AUDIENCE®, Channel 239 and DIRECTV 4K Channel 104. For more info, visit directv.com/americanstandoff 📺
